

*Resources and Telephone
Numbers for Local and New
Jersey Treatment Facilities*

This Resource Guide has been developed for Ocean County Law Enforcement Agencies to have resources and phone numbers readily available while dealing with the public. The Resource Guide can also be found on the Ocean County Prosecutor's website at

www.oceancountyprosecutor.org

or the Ocean County Health Department's website at

www.ochd.org.

You can find additional resources on the Ocean County Opiate Task Force Resource Guide at www.ochd.org such as:

- Crisis Hotlines
- Methadone Services
- Prevention Information
- Faith-Based
- Addiction Services
- Information for Parents

(If there are any changes, additions, deletions, please email ljterjesen@ochd.org)
